End of Report

For all enquiries, contact the Office of Fair Trading on telephone 1300 658 030.

VALIDITY: The Department of Tourism, Fair Trading and Wine Industry Development, through the Office of Fair Trading (the Office), is responsible for the administration of the *Motor Vehicles and Boats Securities Act 1986* and has appointed CITEC CONFIRM to act as an information broker. The outboard motor details and any relevant security interest information contained in this certificate were sourced electronically by CITEC CONFIRM from the Register of Security Interests. Therefore, this certificate is valid and has the same meaning as if it was issued direct by the Office.

DISCLAIMER: The outboard motor security interest search you have conducted is valid only in relation to security interests registered in Queensland. This component of the security interests register is not part of a national system and, therefore, the certificate does not cover security interests that may be recorded in other States or Territories. As such, you may need to undertake a search of those jurisdictions for encumbrances that may exist over the outboard motor.

Enquiries should be made with your local police station to ascertain whether the outboard motor has been recorded as stolen.

TIME: The time stated on this certificate is expressed as the relevant time in Queensland.
